ADOPTED

JAN 26 1971

Proby Schuck
SECRETARY OF SENATE

SENATE RESOLUTION NO. 117

WHEREAS, The tedious and time-consuming task of renovating and restoring the space occupied by the Senate and the east wing of the Capitol Building was undertaken and successfully completed under the direction of our able and dedicated colleague, Senator Jack Hightower; and

WHEREAS, The approach to the renovation of the Capitol was carefully studied and researched with the result that every painstaking effort was made to utilize the original architecture and to retain the natural beauty of the Capitol Building; and

WHEREAS, The original high ceilings and beautiful cornices were restored and, whenever possible, were created in the new rooms; the design on original doors, door facings, and door jambs were duplicated on every door; the plaster walls and handsome wainscoting were duplicated in exact dimensions, as specified in the original Capitol plans; plywood partitions housing parts of state agencies and offices were removed and the broad halls were again opened to their original intent; and

WHEREAS, The people of the State of Texas are justifiably proud of our beautiful and historic Capitol Building which has stood proudly since its completion in 1888; the preservation of the building is a task which cannot be taken lightly nor neglected; it was with these things in mind that Senator Hightower dedicated himself to the task of restoring as much of the east side of the building as possible to its original construction, to retaining the natural integrity and characteristics of the building, and to following as closely as possible the original architecture of the building in the new construction; now, therefore, be it

RESOLVED, That the Senate of the 62nd Legislature of Texas desires to express appreciation to our distinguished colleague,

Senator Jack Hightower, for the degree of excellence which he has achieved in the renovation of the Senate area and the east wing of the Capitol building; and for his serious dedication to this task which has required many months of his time.
